

Stoffer veurman is living in Groningen in the north of the Netherlands where he has a Flowershop for 22 years.

Stoffer has been married and has two passions his lovely two daughters and of course flowers!

He loves working for a flowercontest which resulted in 1998 the silver medal national championship of Holland.

In 2002 he won the golden medal and he became the National champion of the Netherlands.

In 2003 he was the 5th place in Salamanca Spain in the European Cup

And in 2004 he reached the 6th place in Melbourne with the World Cup

In 2008 he had the silver medal in the National championships of Holland.

Also he has won several times the flowerparade in Eelde , a flowerparade where every year almost 80.000 people are watching.

He likes to work with little details in his work and if it is possible he tries to make also the foundation of his arrangements by himself .

Stoffer is also an examiner at the schools in Holland because he finds that you all must help to get the children the best education there is, and so help them with the beautiful profession of floristry.

In the last couple of years he has been several times in China for product development for the silk flower industry
